ROOSEVELT COUNTY ELECTRIC COOPERATIVE, INC.
ORIGINAL RULE NO. 12
Cancelling N.M.P.S.C. Sheet No. 27

CONTINUITY OF SERVICE

The Cooperative will use reasonable diligence to supply steady and continuous service, but does not guarantee the service against irregularities or interruptions.

The Cooperative shall not be liable to the consumer nor shall the consumer be liable to the Cooperative by reason of failure of the Cooperative to deliver or the consumer to receive electrical energy as a result of fire, strike, riot, accident, explosion, flood, breakdown, the public enemy, war, or other conditions beyond the control of either party affected; it being the intention of each party to relieve the other of the obligation to deliver or receive electrical energy when as a result of any afore mentioned causes either party is unable to deliver or use, in whole or in part, electrical energy to be delivered or to be received.
