AGREEMENT FOR AREA LIGHTING SERVICE

1st Revised Form No. 13

I, _____ (hereinafter referred as "Member"), do hereby authorize Sierra Electric Cooperative, Inc. ("SEC") to provide Area Lighting Service under the following terms and conditions:

TERM:

The Term of this agreement shall be either:

- ☐ For sixty (60) continuous months of lighting service provided by SEC from the date this agreement is executed by the Member and service is available hereunder, OR
- ☐ Member's payment up front for the total cost of the installation in accordance with SEC's Line Extension Policy.

CONDITIONS:

1. Purchase of electric energy for Area Light Service shall be in accordance with the applicable rate schedule filed with the New Mexico Public Regulation Commission. All fixtures will have "average kilowatt hours used" assigned to them which is subject to adjustments for changes in the cost of fuel and purchased power.
2. Early termination of this agreement will result in the Member being charged for the remaining term of the agreement at the applicable lighting rate at that time.
3. The Member grants permission to duly authorized representatives of SEC to enter the premises for the purpose of maintaining lighting service, and to eliminate obstructions hazardous to the public or which interferes with the rendering of lighting service.
4. The Member shall report to SEC, as promptly as possible, any and all lights that are out or not burning properly. SEC will replace or repair such lights as its maintenance schedule allows.
5. SEC reserves the right to remove any fixture and appurtenances at any time in the event more than two calls per year become necessary due to vandalism or other causes over and above regular maintenance required unless the Member agrees to pay for the additional calls and cost incurred.
6. Account No. _____ Light Location: _____
7. No. of Lights: _____ Type of Lamp: _____ (HPS/LED) Wattage of Lamp: _____
