AVAILABILITY

Available to all grid-tied residential, irrigation, small commercial and large power consumers within the Cooperative's service area, limited to the amount of renewable resources available.

NET RATE PER BILLING PERIOD: (or part thereof/service)

Alternating current, single-phase, 60 Hertz at available secondary voltages. The rate for this service will be the renewable power premium (added charge) for all renewable power delivered to the participating customer. The renewable power shall be purchased in the form of 100 kWh blocks. The monthly renewable power premium for each 100 kWh block shall be the current rate charged to the Cooperative from the Cooperative's Wholesale Power Supplier for each 100 kWh block in addition to the applicable rate to the member.

TERMS OF PAYMENT

The charge per billing period in the foregoing rates are net, due and payable within twenty (20) days from the date the bill is rendered.

CONDITIONS OF SERVICE

It is understood by the consumer that by opting to use the renewable rate the consumer is subject to the terms that the Cooperative is obligated to its Wholesale Power Supplier under the power supplier's wholesale renewable energy tariff.
