ENGINEERING SURVEY CONTRACT

THIS AGREEMENT made this _____ day of _____, 19 _____,
between The Socorro Electric Cooperative, Inc., hereinafter called "Coop-
erative" and _____, hereinafter called
"Consumer" for engineering services associated with the extension of
electric power lines to or within the following described property:

It is mutually agreed that:

1. The Consumer agrees to reimburse the Cooperative for the cost of any engineering surveys performed by the Cooperative as the result of changes requested by the Consumer, or required as the result of easement problems, at the Cooperative's current costs.

2. The Consumer will pay the Cooperative for all costs incurred for any engineering surveys if no construction is started within six months of the date of the initial survey request. If the construction is started within six months, these costs will become a part of the construction costs.

3. All engineering surveys and estimates will be good for a period of six months; after six months, a revised survey will be required.

4. The Cooperative may require an advance for engineering survey.

5. Should The Socorro Electric Cooperative find it necessary to retain legal services to enforce its rights under this contract at law or equity, Consumer agrees to pay all legal fees and costs incurred by The Socorro Electric Cooperative.

This contract, including the tariff made a part hereof, shall at all times be subject to such changes or modifications as shall be ordered from time to time by any legally constituted regulatory body having jurisdiction to require such changes or modifications.
