

SOCORRO ELECTRIC COOPERATIVE, INC.
ORIGINAL RULE NO. 17
CANCELLING N.M.P.S.C. SHEET NO. 31

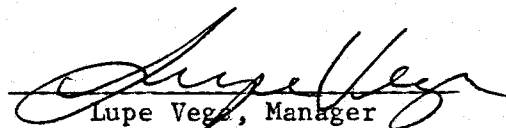

SERVICE TO MOTORS

Page 1 of 1

All motors above five (5) horsepower shall be three phase except where single phase service only is available, in which case the Cooperative reserves the right to permit single phase motors larger than five (5) horsepower.

The Cooperative also reserves the right to require all five (5) HP motors and smaller to be single phase where it is impracticable or uneconomical to furnish three phase service.
