## EXHIBIT G

As a part of

Application for Department of Transportation Division's Certificate

New Mexico Public Regulation Commission

*PRC# 57390*

### Proposed Tariff

The tariffs set forth in this exhibit, and futures changes in admissible cost, shall be stated for statewide, non-emergency medical transportation services only, in accordance with Medicaid Transportation regulations.

Vehicles shall be used to transport clients only. The need for an attendant must be authorized by physician in writing. Mileage can only be calculated and documented the moment client is inside the vehicle. Modifiers identify origin and destination of transport.

SERVICES OFFERED	Cost per Mile	Max Charge Per One-Way Trip
Non-Emergency Medical Transportation (with Standard Vehicle)	\$1.68	\$230.00
1 Physician-Approved Family member (with Standard Vehicle)	\$1.68	\$230.00
2-4 Physician-Approved Family Members (with Standard Vehicle)	\$1.68	\$230.00
1 Physician-Approved Attendant/Escort	\$1.68	\$230.00
