- A. Before undertaking anything which will use unusually large quantities of water, the Company shall be consulted for its approval of such additional service and for the terms and advice as to conditions under which the water will be supplied to the premises of the customer.
- B. The Company reserves the right to limit the size of service connections or openings through which its service is furnished and to prohibit the customer's waste or use of excessive quantities of water which may exceed or strain the capacity of the Company for supplying water to other customers. Noncompliance with this rule by any customer shall constitute grounds for discontinuing service in accordance with Rule 10.
