

NEW MEXICO WATERWORKS, INC.

ORIGINAL RULE NO. 4

APPLICATION FOR SERVICE

Page 1 of 1

A. All applicants for service may be required to sign:

1. The Company's Standard Application and Service Agreement; or
2. Such special written contract as shall be required to cover the particular service desired.

B. The applicant for new service shall submit an application for service and shall, when the Unit Site is unimproved, furnish to the Company at the time of application a building permit issued by the County of Bernalillo authorizing the residential improvements on the Unit Site where the water service will be used. Upon approval of such application, the Company shall have a reasonable time to provide water service.

C. A reconnection fee may, if approved by and on file with the Commission, be paid by an applicant for transfer of existing service of for service which has been previously involuntarily disconnected from any system operated by the Company. In addition to the reconnection fee, the applicant shall pay all delinquent fees and charged owed to the Company.

D. The conditions of piping and character of installation on the premises shall be subject to inspection by the Company and be approved by the appropriate governmental inspection agency, and if such piping and/or installation is found to be faulty installation has been corrected to the satisfaction of such appropriate governmental agency or the Company. Company does not, however, assume the responsibility for such inspections and shall not be held liable for failure of such piping or installations.

E. The Company reserves the right to limit each lot to a maximum daily average usage where circumstances warrant.
